TMT INVESTMENTS PLC
("TMT" or the "Company")

rollApp, Inc. – New equity financing

TMT Investments PLC, which invests in high-growth internet-based companies across a variety of sectors, is pleased to announce that yesterday its portfolio company rollApp, Inc. ("rollApp") completed the initial closing ("Initial Closing") of a new US\$1,000,000 equity financing round.

As part of the Initial Closing, TMT has acquired newly issued preferred shares in rollApp for an aggregate consideration of US\$50,000. After the initial closing, TMT will hold 10% of rollApp's fully-diluted equity capital.

In addition, TMT has agreed to acquire additional preferred shares in rollApp for an aggregate consideration of US\$50,000 ("Second Closing"), subject to certain milestones been reached by rollApp in the first 8 months after the Initial Closing.

The transaction implies an approximately 39% uplift in the fair value of TMT's investment in rollApp, compared to the latest reported amount as of 31 December 2012. TMT originally invested US\$350,000 in rollApp in August 2011.

RollApp provides a software-on-demand service designed to instantly deliver existing third-party software applications to any web-browser-equipped device over broadband/3G. The service aims at allowing end-users to launch virtually any third-party software application in the "cloud" and use it inside a standard web-browser.
